Care Givers of the Week: Martha Pauls & Frieda Hildebrand

A Friendly Reminder:

As we are slowly beginning to open up our Sunday morning services again, we would ask that you please remember to keep the last few benches in the sanctuary open for young families with small children and for any newcomers who might walk in last minute.

Re-opening

As the government has announced changes to the guidelines we are excited to re-open this Sunday! The current guideline is 50 people in attendance.

First - we continue to need to do a check in when you arrive. To prepare for that, **if you are planning on attending in person for the next three weeks** (Feb 21, Feb 28, Mar 7) then please call the office at 204.774.4414 ext 0 to let us know by Friday @ 3 pm. Alternatively you can register via our [Church Connect app](https://pachurch.ca/connect) @pachurch.ca/connect

We have personally called and invited those without internet access and have already recorded those registrations, so we strongly encourage you to please come if you are willing and able. :-)

When you do come, please enter and exit via the front door. Masks are required. We will continue to provide translation units for those who need them. The pews are blocked off to accommodate proper social distancing and also for livestream line of sight purposes. The sub-group restriction has been removed so you are welcome to seat yourself in the sanctuary. You may also check your mailbox - some are getting quite full. :-)

Martin is hard at work making sure everything is properly cleaned and sanitized.

We encourage you to limit the time spent inside. After the service is finished, there will be a short time for announcements and prayer in the sanctuary as it is currently too cold to fellowship outside. Our usual Zoom Fellowship Cafe will continue to happen for those unable to attend in person.

All this being said, we are very excited about meeting in person and we are thankful for this opportunity to do it in a safe manner.

If you have any questions please contact one of the pastors.

MISSION UPDATE - Witness Magazine (Multiply)

Karen Hubert-Sanchez and her husband Ricky began the Abundant Life Home for HIV-positive orphans fifteen years ago. Karen herself received a call to mission as a high school student when she attended a Keith Green Memorial concert following Keith's tragic death. At the concert, she heard the call to "go" to the least reached. The message was simple: the call to mission is normative for every Christ follower, so if you do not have a clear call to "stay" then you are called to "go."

As Ricky and Karen were preparing to serve in Thailand with Multiply, they called and recruited Louise Sinclair Peters and her husband Dave who were pastoring in Williams Lake, BC. The invitation was simple: "We're building a team to plant churches in Thailand, do you want to join us?"

Team 2000 was formed in 1999 with three couples: Karen and Ricky, Louise and Dave, and Carmen and Andy Owen. They have all been based in Thailand for the past twenty years and their ministries continue to multiply. Thousands have been reached and mobilized throughout Southeast Asia.

What motivates these couples to live on mission? They heard God's call to "go" and they have been faithful.

So many others have been impacted by this mission story in Southeast Asia and they also have been inspired to participate. Someone like George Folz, one of our local retired business leaders who has been involved in supporting key business-in-mission strategies in the region. One of those initiatives has been Lighthouse Coffee, an export business from Myanmar that is creating opportunities for Gospel witness among the least reached and also providing support for many workers in that country. George has, in turn, mobilized many other business leaders to participate in this and other business and community development strategies around the world.

In this edition of Witness we are sharing stories about the why of mission and the call of God on our lives, regardless of our station in life. I pray that you are encouraged to keep saying "yes" to God's invitations.
