# MISSION UPDATE: Rudi Plett (ICOMB)

Dear Friends,

I read this phrase and it triggered some thoughts. “Nobody made a greater mistake than he who did nothing because he could do only a little.” (Edmund Burke)

Didn't we all make this mistake many times? And a mistake related to this one is when we measure something that could be huge for others, as small or little. And this could bring life or death. What God calls important, is not always what we pay attention to. Haven't we all experienced, that something that seemed small to us, unexpectedly had a great impact?

“For we are his workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them.” (Ephesians 2:10)

If God wants me to serve someone, it will never be insignificant, even if people see it as small and secondary. The invitation from God is not to do “big things” right away, rather to be led by the Spirit in doing what He has prepared for me. Whether people call it small or big.

In the name of our global family, of the conference you belong to, and of the church you are part of, I want to thank you for serving in wherever your part in the good works is, which God prepared beforehand!

United in Christ, Rudi Plett

A dedicated evening of prayer for our church and community
